Biography

Like a connoisseur that knows fine wine, the Little Brown DJ (LBDJ) knows music. His diverse Caribbean cultural upbringing helped craft an understanding, appreciation, and working knowledge of many genres of music. One of his favourite achievements was being the guest DJ at the House of Blues in Las Vegas. Specializing in top 40 and EDM, he has played everything from small private parties to venues of over two thousand people. LBDJ was the resident DJ at Gogo Lounge in Edmonton and has also performed at many outdoor venues including the North American professional drift car competitions in Wetaskiwin and Castrol raceways. Having 12 years of experience and played for over one hundred thousand people so far, he strives to share his passion for music and keep the dance floor packed.

Turn up the volume, close your eyes, and let the music take over your soul.
