EXPERIENCE

DJ Tone Play is a thrilling DJ that uses new technology mixing it with old school performances. His empathic ability takes reading crowds to a whole another level. His action packed live performances include mixing music using advanced level scratching, tone plays, word plays and more. He plays remixes and songs that are exclusively produced by his sister studio in Vancouver. His Mic interactive style creates entertainment, creates bonds between people, brings out the love in the room, and leaves everyone wanting more.
